Louie

NOW I'm turning things over . . .
After many happy years as pumpkin consultant
I'm now turning over the sales of pumpkin seed to
Semenco. I'm still around and happy to answer
questions as well as to help in any way I can.

We started out the year by visiting pumpkin
friends in New Zealand, where pumpkins and
winter squash can be found in grocery stores.

2007

Made especially for you

Myra Lehmann
